COURSE STRUCTURE:

MODULE 1: GREETINGS AND YOUR WORLD (1 ECTS)

This module aims to let the students get to know each other. The context of greetings and introductions in different settings allows students to do this in Maltese in a meaningful way even with quite basic language.

MODULE 2: MY LIFE, FAMILY AND FRIENDS (1 ECTS)

This module, aims to extend the range of personal information that students can give. The unit introduces expressing the possessive with family vocabulary. Students practise while talking about the present within the context of hobbies, likes and dislikes. Food and drink are also introduced to serve as a context for further insights in the construction of the plural forms.

MODULE 3: OUT AND ABOUT (1 ECTS)

This module aims at introducing and providing practice in describing places within the context of being out and about during one's free time. This unit extends question formation and the demonstratives. It introduces vocabulary related to directions and distance. Useful adjectives and their opposites are also introduced.

MODULE 4: AT WORK AND AT HOME (1 ECTS)

The theme of this unit takes a look at life at work and at home. The differences between formal and informal language practices in Maltese are presented within the

contexts of work and at home with family and friends. Students will reflect on the differences and compare their own cultures back home allowing a focus on comparatives.

MODULE 5: MALTA (1 ECTS)

This module serves as an overview of the previous four units focussing mainly on recycling and recalling the language presented and practised throughout the course.
